137
HERE IT IS.
THIS NURSING HOME DIDN'T REALLY HAVE A WAY TO TREAT PREGNANCY EITHER.

BUT SHE ISN'T IN
LITTLE LI!
LITTLE LI!
WHERE DID EVERYONE GO?
THERE MUST BE SOME PROBLEM!
A TUN-NEL?

DIREC-
TOR!
WHY DID HE COLLECT SO MANY PREGNANT WOMEN HERE?
WHEW
I HAVEN'T BEEN SPOT-TED
THE DIRECTOR IS DEFINI-TELY DOING SOMETHING SHADY
THIS NURSING HOME IS REALLY A PROBLEM
BUT LITTLE LI MUST BE OK

SEEN ENOUGH?
STEP BACK
I RECOG-NIZE YOU.

A FEW YEARS AGO YOU WENT TO A FOOD-BABY COMPANY AND CAUSED ALL SORTS OF PROBLEMS.
AFTER BEING DEFEATED YOU WERE MARKED FOR ARREST BY THE WHOLE WORLD AS A DANGEROUS CRIMINAL, "NUMBER 8."
WHY WOULD A PERSON SUCH AS YOU WANT TO OPEN A NURSING HOME? WHAT ARE YOU PLANNING TO DO?
...
TSK
SINCE I HAVE BEEN FOUND OUT, I'LL TELL YOU.

WHY?
DO YOU KNOW WHY THAT IN THE LAST FEW YEARS "PREGNANCY" HAS CHANGED FROM "A WAY TO PRODUCE OFFSPRING" INTO "A CONTAGIOUS ILLNESS"?
IT IS BECAUSE THE FOOD-BABY COMPANY, IN ORDER TO MONOPOLIZE THE WORLD'S PROCREATION ECONOMY, HAS SPREAD A VIRUS THAT CAUSES IT!
AND WHAT I AM DOING IS FINDING A WAY TO COMBAT IT AND TO SAVE HUMANITY'S REPRODUCTIVE CAPABILITIES!

END

Fine, this is the continuation of Swiss Brain.
Swiss Brain's proper continuation will
appear in the days to come.

A few days ago I saw a dog in the street
while walking around. Cars ran him over and there
was absolutely no response. I thought
that this was a dead dog.

.
.
.
.

I approached slowly, planning to investigate the body.

.
.
.
.

Closer and closer

.
.
.

He came back to life after! And looked at me!

.
.
.

I REALLY HAVE SUPERPOWERS!

(the kind that make the dead come back to life)
